

## FELIXSTOWE YOUTH FORUM

At Felixstowe Town Hall on  
Wednesday 24<sup>th</sup> January 2024 from 4pm-5pm

### AGENDA

1. Introductions – Schools Attending
2. Apologies
3. School Presentations – A maximum of 5 minutes per school to present, Our Councillors would be very interested to learn about Eco School awards and Forest Schools, so if there is anything environmental that your school is doing we would love to hear about it.
4. Youth Forum budget

There is currently £1,768.28 in the budget which needs to be spent before end of March 2023. This can be spent on any project that Youth Forum feel will benefit Children in Felixstowe. Ideas received from schools so far, will be presented.

The Town Council in partnership with Felixstowe BID, Chamber of Commerce and Litter Free Felixstowe are planning a '**Love Green Felixstowe**' campaign with an Expo being planned for the first weekend in September. If schools would like, this may be a good environmental topic that we could work with. Earth Day is coming up on 22<sup>nd</sup> April and the group organising the campaign would like to involve schools. Maybe a video that is filmed at each school's environmental/garden area or on a location with several schools where the media could be involved. Part of the budget could be used for this depending on other ideas.

Do any schools have a funding requirement for any green projects?

5. Any Other Business
