

FELIXSTOWE CARNIVAL 2023

After a year of planning we brought together a fabulous weekend event of colourful floats, music entertainment, and a variety of trade and craft stalls.

Starting the weekend on Friday evening with 'Swing Machine' playing a fantastic proms concert and those flags were waved and such an enjoyable evening was had by all.

On Saturday it was so good to see the streets along the procession route, crowded with smiling faces and those donation buckets filling. The procession entrants made such a wonderful effort interpreting our 'Magic of the Musicals' theme and producing a wonderful spectacle.

The family area was full of dinosaurs, bubbles, storytelling, Punch & Judy, crafts and music and there was free fun for all.

Our stage offered diverse entertainment from the Haiden Grigor, Shane & the Korrados, Fabulous Cash & Carter show and Kiss the Teacher with lots of others in-between.

Despite the rain stopping the entertainment on the Saturday evening, the crowd on Sunday just grew and grew till you could not see any grass and the atmosphere during the ABBA tribute act was one of celebration and community.

Grant from Felixstowe Town Council was used towards the cost of printing the Programme.
