

FELIXSTOWE

TOWN COUNCIL

Risk Management Policy

Felixstowe Town Council is committed to identifying and managing risks, using the following procedures, and to ensuring that risks are maintained at an acceptable level. Any action that is felt necessary will be taken by Felixstowe Town Council.

The Clerk (who is also the Responsible Financial Officer) will review risks on a regular basis, including any newly identified risks, and will report to Council. The review will include identification of any unacceptable levels of risk.

The Local Councils Governance and Accountability Guidance – a Practitioners Guide 2014 edition makes the following observations regarding risk management:

“...the focus of good risk management is to identify what can go wrong and take proportionate steps to avoid this or successfully manage the consequences.. Risk management is not just about financial management; it is about protecting the achievement of objectives set by the council to deliver high quality public services.”

It goes on to make the point that the Council generally and Members individually are responsible for risk management because risk threatens the achievement of policy objectives.

Members should, therefore:

- (a) Take steps to identify key risks facing the Council
- (b) Evaluate the potential consequences to the Council if an event identified as a risk takes place
- (c) Decide upon appropriate measures to avoid, reduce or control the risk or its consequences.
- (d) Record any conclusions or decisions reached.

To identify the risks facing a council, the Guidance recommends beginning by grouping the three main types of decisions that have to be taken into the following areas:

- (1) Areas where there may be scope to use insurance to help manage risk
- (2) Areas where there may be scope to work with others to help manage risk
- (3) Areas where there may be need to self-managed risk.

AREAS WHERE THERE MAY BE SCOPE TO USE INSURANCE TO HELP MANAGE RISK

1 RISK IDENTIFICATION

Insurance cover for risk is the most common approach to certain types of inherent risk:

- (a) Protection of physical assets: *All physical assets are insured.*
- (b) Public Liability: *The Council has a Public Liability Insurance of £10,000,000. It has also personal accident liability cover for employees, members and volunteers under the above policy.*
- (c) Employers Liability: *The Council has an Employers Liability Insurance of £10,000,000*
- (d) Loss of cash: Insured to the sum of £2,000
- (e) Fidelity guarantee: Insured to the sum of £1,500,000
- (f) Libel and Slander: Insured to the sum of £250,000
- (h) Office equipment: Insured to the value of £58,600
- (i) Personal accident: Insured to standard contingencies

2 INTERNAL CONTROLS

- (a) Maintain an up-to-date register of Assets and Investments:
The Asset Register is reviewed annually by the Clerk and members receive a regularly updated list.
- (b) Regular maintenance for physical assets:
Seats, bus shelters and allotments are monitored by Cemetery Supervisor and Council staff.
- (c) Annual Review of risk and the adequacy and robustness of insurance cover:
The Clerk reviews the insurance cover annually, and updates cover as required.

The Council's office and equipment is insured and Council equipment secure.
- (b) Banking Services:
*Reviewed not less than every 4 years by Council. **Council processes payments electronically where possible and the Town Clerk and Finance Administration Officer are delegated the authority to effect such payments, subject to Council's authorised signatories confirming the accuracy of these payments by countersigning all relevant invoices and payment schedules.** All cheques require two Councillor signatures. Council reviews all payments. Authority delegated to Clerk to transfer between accounts. Regular reports (income/expenditure/budget and bank reconciliation) made to Finance & General Purposes Committee.*
- (c) Professional services, contractors etc.:
The Council endeavours to ensure that wherever possible it has the opportunity to select (from several) providers of any professional service it requires.

2 INTERNAL CONTROLS

The Council has Standing Orders and Financial Regulations that govern the awarding of contracts/purchases.
- (b) Arrangements to detect and deter fraud and/or corruption:
Invoices are subjected to scrutiny by both the Clerk and the cheque signatories. Variation in salary payments is fully justified before payment. Expenses are only approved after submission of fully detailed claim form.
- (c) Regular bank reconciliations, independently reviewed: *Bank statements are received monthly and are reconciled by the Accounts Administrator and checked by the Clerk.*

3 INTERNAL AUDIT ASSURANCE

- (a) Review of internal controls in place and their documentation:

- (b) Review of minutes to ensure legal powers are available and the basis of the powers recorded and correctly applied:
Where appropriate, legal powers bestowed on the Council will be recorded in the minutes against decisions taken. The minutes of meetings are also reviewed during the internal audit process.
- (c) Review of arrangements to prevent and detect fraud and corruption:
