

FELIXSTOWE

TOWN COUNCIL

Training Strategy

1. Statement of Principle

- 1.1 Felixstowe Town Council believes that appropriate training of Councillors and staff is vital to provide the high quality of service to the local community to which the Council is committed.

2. Funding

- 2.1 The Council will ensure adequate funding is included in its annual budget to enable the provision of its training needs.

3. Councillors' Training

- 3.1 All new Councillors will be provided with an induction pack which includes adequate information to allow them to undertake their role as soon as they are elected to the Council.
- 3.2 All new Councillors will be offered the opportunity to attend courses provided by the Suffolk Association of Local Councils and other appropriate organisations tailored to the specific needs of Town Councillors.
- 3.3 All Councillors will be made aware of Councillors' training courses provided by the Suffolk Association of Local Councils and other appropriate courses and conferences and given the opportunity to attend these courses and conferences if appropriate.
- 3.4 Regular Councillor briefing sessions will be organised by the Council prior to meetings of the Council and its Committees and at other times to inform Councillors on topics relevant to the operation of the Council and the wider community of Felixstowe.
- 3.5 The Clerk and other staff members will organise regular visits for Councillors to the Council's various operational sites accompanied by informal presentations concerning the Council's activities and the services it delivers.
- 3.6 Councillors will be given the opportunity to participate in any relevant staff training sessions and in particular those concerned with health and safety and fire regulations.
- 3.7 All members of the Town Council's Plans Committee will be given regular training in association with Suffolk Coastal District Council concerning planning procedures and legislation.

4. Staff Training

- 4.1 All new staff will be given in house induction training, both formal and informal, and in particular in the Town Council's health and safety procedures.
- 4.2 All staff will be given regular health and safety training.
- 4.3 Appropriate training in first aid and other procedures will be given to nominated staff members.
- 4.4 All staff will be encouraged, in conjunction with their Line Manager, to identify their training needs.
- 4.5 It will be the responsibility of Line Managers to arrange appropriate training courses to meet identified training needs.
- 4.6 The Council will encourage all staff to acquire qualifications appropriate to their posts and, where appropriate, will provide financial resources and adequate paid leave to attend any necessary courses.
- 4.7 The Council will encourage the continuous professional development of all staff and, where appropriate, will provide financial resources and paid leave to enable the continuous professional development of its staff.
