

NEW AUDIT REGIME

Dear Colleagues

We are pleased to announce that we have set up a company to procure audit services on your behalf. This letter officially invites you to become an opted in authority to this scheme.

When the previous government abolished the Audit Commission, the National Association of Local Councils (NALC), the Society for Local Council Clerks (SLCC) and the Association of Drainage Authorities (ADA) expressed concerns about the impact this would have on the workload of local authorities. We successfully persuaded the government to let us procure authority audit services, simplifying arrangements and reducing the burden on you.

We also successfully persuaded the government to fund the start-up costs of £540,000 which the sector otherwise would have had to raise itself.

This has been a real triumph for the sector resulting from good joint working between NALC, ADA and the SLCC.

The NALC website, www.nalc.gov.uk, will give further information, but at this stage you need do nothing unless you wish to opt out, set up your own independent audit panel and procure relevant services. If you do not wish to participate and will be making your own arrangements you need to tell us by 31 January 2016.

If you do not opt out you will automatically be included in the arrangement for the next five years.

If you wish to opt out of the Sector Led Body audit procurement you must let us know by 31 January 2016 by emailing: slboptout@nalc.gov.uk or writing to:

FACTSHEET - PROCUREMENT OF AUDIT FOR SMALLER AUTHORITIES

Auditing procedures for smaller authorities continue as before, but the procurement process will change from 2017.

From the start of the 2017/18 financial year smaller authorities, including parish and town councils and internal drainage boards, can choose to have an auditor appointed to them by a new 'sector-led body' or they can decide to procure their own. We intend to call this procurement body the Smaller Authority Audit Appointment Authority Limited.

This letter sets out how the new arrangements will work, what the new body will do, what it will offer to smaller authorities, and how you can opt out of having an auditor appointed to you and what you will then need to do.

Smaller authorities with a turnover of less than £25,000 will be exempt from having to submit an annual financial return, but will still need to have an auditor appointed in case there are questions from electors to be resolved. The SLB will be the first point of contact in such a case.

Background

The National Association of Local Councils (NALC) is working with the Department of Communities and Local Government (DCLG), Society of Local Council Clerks (SLCC) and Association of Drainage Authorities (ADA) on the establishment of a 'sector led body' to procure audit for smaller authorities for the 2017/18 financial year.

The new body will be responsible for procuring audit services for smaller authorities – this is all parish and town councils and internal drainage boards with an income of less than £6.5m – and for the management of these audit contracts for a period of five years.

The Local Audit and Accountability Act 2014 requires that from 2017, smaller authorities will appoint auditors through a 'sector led body' or opt out of such arrangements and appoint auditors locally.

The Smaller Authority Regulations¹ enabled the establishment of a sector-led, collective procurement body to appoint auditors and manage audit contracts. This approach acknowledges both the benefits of collective procurement and the important fact that smaller authorities may not have resources or capacity to individually appoint auditors locally.

Audit of smaller authorities remains mandatory and the creation of the body is aimed at easing the administrative burden, reducing costs and ensuring quality, while maintaining the opportunity for a local approach to auditor appointment.

The audit regime remains unchanged with limited assurance engagements being required from all authorities except those smaller authorities with zero expenditure, who will continue to confirm this annually in response to auditor requests.

One important change is that from 2017 those smaller authorities with a turnover below £25,000 will still be required to complete and publish an Annual Return, but will no longer be required to submit it for audit.

About the Sector-Led Body (SLB)

As previously stated, NALC, SLCC and ADA are currently working together to set up a 'sector led body' to procure audit for smaller authorities for the start of the 2017/18 financial year. This process is being supported and funded by DCLG.

As was the case with the former Audit Commission, the running costs of the new body will be funded from the audit fees charged to smaller authorities.

The board of the new body will comprise an independent chair, two independent members, and representation from NALC, SLCC and ADA. Secretariat support will be provided by NALC. The new body will have a Memorandum of Understanding with DCLG, who will have optional observer status, and who will also review and monitor progress and quality of SLB work.

The SLB will appoint auditors for **all those smaller authorities 'opted in' to the new arrangements**.

A tender process (compliant with European rules and regulations) will be completed by the end of September 2016.

The SLB will procure, deliver and manage the audit contracts; this will include specification of contract requirements, management of auditors, recording of all authorities opting in or out, communications and quality management of audit contracts.

Quality assurance of audits/limited assurance engagements will be conducted by a process to be managed through DCLG.

The SLB will be charged with monitoring those smaller authorities who decide to 'opt out' and reporting those bodies to DCLG, confirming when they have appointed auditors locally.

What you need to do

Those smaller authorities who wish to participate in the SLB do not need to do anything as all smaller authorities are automatically opted in to the new body and will have an auditor procured for them.

This is aimed at helping the transition to new arrangements in 2017 to be as seamless as possible and with no disruption to your audit arrangements.

How to opt out of the new arrangements

However your council is entitled to opt out of the new arrangements. The decision to opt out must be through a formal meeting of the council, and as such every council who is eligible to opt-out needs to actually formally consider if they are going to.

If you wish to opt out of the Sector Led Body Audit procurement you must email slboptout@nalc.gov.uk or write to:

by 31 January 2016 (if you do not do so by that date the next chance to opt out will be in five years time)

All authorities who wish to opt out must make their own arrangements with auditors, which will include but is not limited to the following:

- establishing an Auditor Panel;
- following a statutory appointment process set out in regulations;
- appointing an auditor by 31 December 2016;
- providing the SLB with the contact details of your auditor.

Smaller authorities who 'opt out' but fail to appoint an auditor by the deadline will have an auditor appointed for them, as the appointment of an auditor is a legal requirement. Such an appointment may be at a considerably higher cost as the savings from the bulk procurement of auditors may not be available and there will be additional administrative charges.

A small fee will be charged for this to cover the whole five year period and will be payable before the start of the new audit arrangements in April 2017. These authorities may 'opt out' but will still have to appoint auditors and meet the requirements set out above and it is highly likely this will be a far more expensive option.

National Association of Local Councils, Society of Local Council Clerks and the Association of Drainage Authorities.

It would be prudent of you to consider in your budget discussion funding to meet either the costs of audit if you are a council above £25,000 turnover, or the fee to access a an auditor from the Sector Led Body if you are a smaller council. The previous audit costs were negotiated several years ago and included some cross subsidy from larger councils so your costs in future years may increase. The one-off SLB fee is estimated to be less than £100, however this may be subject to change as the SLB is set up.
