

## 1<sup>st</sup> Walton Rainbows

The 1<sup>st</sup> Walton Rainbows were pleased to receive a grant from Felixstowe Town Council which enabled us to restock our craft cupboard with fresh supplies of paint, pens, pencils, craft materials and helped us to arrange a Christmas in a day event with a badge for completing.

We have purchased lots of new craft supplies, including paint, paint palettes, pots, pens pencils, rulers, rubbers, glue guns, glue sticks, cello tape, glue spreaders, pva glue, ribbon, staplers, hole punch, foam flowers, pipe cleaners, buttons, stamps, tissue papers etc.

We have also purchased some storage containers for the equipment.

We held a Christmas in a day event for the girls in December which we subsidised for the girls, this involved a whole day of crafts, a cooked Christmas dinner, secret Santa and then a Carol Service at the church next door.

We have also arranged an Easton Farm Park trip on 22 April 2018, which again with the money, we can send three leaders to supervise.

We have purchased lots of equipment for the girls, that without this grant we wouldn't have been able to afford. The outcome was expected and we have purchased all that we hoped to.

We feel that the grant has hugely benefited the girls, we have now got crafts and activities ready for upcoming sessions which will enable us to plan for a fun filled term within our means. We are hoping that with the rise in numbers of girls, due to our fun/lots of activities reputation, an increase in subs will enable us to continue to run in the future, without the need of further funding.

We would like to take the opportunity to thank the Felixstowe Town Council for helping us at this time from the Rainbows and Leaders Thank you.
