

## 6<sup>th</sup> Old Felixstowe Scout Group

At present we have a group size of 42 beavers and cubs, ranging from 6-10 ½.

Excitement and adventure are key to planning a good programme. As leaders we offer a variety of activities including outdoor skills, taking part in adventurous activities, as well as camps.

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

Felixstowe Town Council supported our organisation with a grant of £650 in 2017 enabling the group to purchase a new trailer.

The trailer will enable us to transport all our camping equipment safely. Later this summer we are planning to take the cubs on a weekend camp to Thriftwood in Essex.

On behalf of the 6<sup>th</sup> Old Felixstowe Scout Group:

Thank you for helping us to purchase our new trailer.

We are always happy to welcome new members to the group. To enable us to have larger no's we do need more volunteers who may wish to become future leaders.
