## CHANGING LIVES THROUGH SONG

---

To: Felixstowe Town Council

Date: 31.3.19

We are very grateful to the Council for the grant of £300.00, thank you. This has enabled us to purchase leaflets and posters for our concert 13<sup>th</sup> July 2019 at the Wolsey Theatre Ipswich and also for our next concert in the autumn in Felixstowe. Our concert at the Wolsey Theatre is to raise funds for Motor Neuron Disease Association and also for us as a group to purchase a keyboard to enable us to do more singing events. We have had to borrow keyboards twice this year and need one of our own especially as every week we rehearse with a very old piano which does not play the correct notes. We have sold 150 tickets for our concert and the total is 400 so would like to sell out. In future we would like to be able to use the Spa Pavilion theatre as we are a Felixstowe group, however, we have not been successful in obtaining interest from them. We now have a committee of seven and have applied for charity status.

Jane Warden

Chair of Majestic Voices
