No more war – 75 years on from the destruction of Wesel

Dear Mayoress, dear Mayor,

In February 1945 Wesel was almost completely destroyed by scores of air raids. In remembrance of the devastation of our town I cordially invite you to join us in our commemorations.

These days of commemoration will take place between 14th and 16th February 2020. Together we wish to remember the victims and the town's destruction in a ceremonial reception and church service on Saturday, 15th February 2020 at 11.00 o'clock and then pay a visit to the liberation museum in the Netherlands. This museum highlights the current significance of democracy, freedom and human rights.

In order to make all the necessary preparations on our side we would kindly ask you to let us know whether you can take part in the celebrations in Wesel by **1st December, 2019** at the latest. Please inform us of the size of your delegation and whether you can arrive on Thursday, 13th February 2020.

With this information I will be able to book suitable accommodation. I would be delighted to welcome you in Wesel.

Yours faithfully

Ulrike Westkamp
Mayoress
