GB - FELIXSTOWE

Dear Mr. Mayor Barber,  
dear Nick,

thank you for the cordial welcome in Felixstowe last weekend. We were delighted at your great hospitality.

I enjoyed the Suffolk Show, which I've never seen before, the Afternoon Tea and the interesting conversation with John Hobley, the Vice-President of the British-German Association. I'm glad that there is such a connection between our towns. It is much more than an official partnership – it's a friendship between the people of Felixstowe and Wesel.

I'm looking forward to see you to the 45<sup>th</sup> partnership anniversary and the PPP-days in August to return the hospitality.

Please relay the heartfelt thanks and wishes also to Mark and Julie Jepson and Lorna Monsen.

Sincerely regards

Ulrike Westkamp  
Mayoress
