## Invitation to the Hanseatic town of Salzwedel

Dear Mayor Seamus Bennett,  
Dear Deputy Mayor Mike Deacon,  
Dear Town Clerk Ash Tadjrishi,

the town twinning between Felixstowe and the Hanseatic town of Salzwedel has existed since 1994 and is therefore celebrating its 30th anniversary this year. In this context, I have very fond memories of the Felixstowe Mayor's Ball last year, which I was delighted to attend and where I spoke with members of the town council about closer exchanges and further visits.

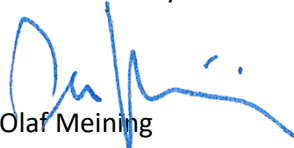

It is therefore a matter close to my heart to **invite you to an official visit** to the Hanseatic city of Salzwedel from **16.03. to 19.03.2024** or alternatively from **13.04. to 16.04.2024**.

I would very much like to introduce you to your twin town and its people. A small program of visits is planned with meetings and numerous opportunities for discussions.

Please let me know how many people you would like to accept the invitation with. The costs for the transfer from the airport (Berlin, Hamburg or Hanover) to Salzwedel and back as well as for the hotel accommodation will of course be covered by me.

Thank you for your reply and I am very much looking forward to your visit to the twin town of Salzwedel.

Yours sincerely

Olaf Meining
