

Felixstowe & Walton Football Club's Youth Section were delighted to be awarded money from the Grant Fund to help with the restoration and reopening of Langley Avenue Playing Fields as the home for the youth teams that play 11 aside matches.

Unfortunately over the two year period from 2020-2022, the fields were closed due to the pandemic and left to overgrow to an unusable condition.

In 2022, after many conversations and a fantastic effort from East Suffolk Council, the fields were returned to a condition where we could start to plan to reinstate three full size football pitches.

The grants we received enabled us to re-position and line the three pitches. We were also able to replace all three sets of goal posts that had become unsafe to use, and purchase new sets of red & white nets (our Club's colours).

The 2022/23 season so far has been a massive success for the club, the community and for all of the boys and girls that have had the chance to use our new pitches.

On behalf of everyone at Felixstowe & Walton Football Club, we would like to say a big thank you to the Grant Fund.
