

FELIXSTOWE CARNIVAL 2024

The much-anticipated weekend event came together spectacularly after a year of planning, featuring vibrant floats, live music, and diverse trade and craft stalls.

Festivities began on Friday evening with a fantastic proms concert by 'Swing Machine,' where attendees enthusiastically waved their flags and enjoyed the lively atmosphere.

Saturday saw streets packed with smiling faces as the procession delighted onlookers. Participants embraced the 'Lights, Camera, Action!' theme, creating a stunning parade.

Meanwhile, the family area buzzed with excitement, featuring dinosaurs, storytelling, Punch & Judy, crafts, and a disco. The new ride-on dinosaur was a standout attraction.

The entertainment stage hosted an array of talented performers, including Counterfeit Brits, Rubiks 2, Shane & the Korrados, All Glammed Up, and Kiss the Teacher, keeping the energy high throughout the event.

The sunshine continued into Sunday, drawing even larger crowds. By the time the ABBA tribute act took the stage, the atmosphere was electric, with a true sense of community celebration.

A grant from Felixstowe Town Council contributed to the cost of printing the programme, helping to ensure the success of this incredible event enjoyed by all.
