

Felixstowe Opportunity Group Grant Report

Funded by Felixstowe Town Council

Introduction

Felixstowe Opportunity Group extends our heartfelt gratitude to Felixstowe Town Council for the generous grant that has enabled us to undertake essential improvements to our facility. These enhancements have significantly improved the safety, functionality, and overall environment of our space, ensuring a better experience for the families and children we support.

Project Outcomes

With the funding provided, we have successfully completed the following projects:

- 1. Entrance Door Repair**

Ensuring safety and accessibility, essential repairs were carried out on the entrance door, providing secure and reliable access to our facility for all visitors.

- 2. Storage Solutions**

Additional storage has been implemented, allowing us to better organize toys and chairs not in use. This solution has significantly improved our ability to manage seasonal items and optimize available space.

- 3. Repainting Interior Spaces**

The interior areas, including the bathroom, kitchen, coffee lounge, and hallways, have been refreshed with new paint. As these spaces had not been decorated since 1994, this update has brightened and revitalized the facility, making it a more welcoming environment for everyone.

- 4. Exterior Repairs and Repainting**

The building's exterior has undergone necessary repairs and repainting, ensuring its long-term maintenance and improving its overall appearance. This work helps preserve the integrity of our facility while providing a more inviting space for the community.
