

## **Report to Felixstowe Town Council regarding a grant to the Felixstowe Society.**

The Society was grateful to receive a grant of £1600 to print a brochure about Heritage Open Days 2024 and distribute it to every house in Felixstowe.

The total cost to the Society was £1900, and the balance was paid from our funds.

A copy of the brochure is attached.

Heritage Open Days featured over twenty properties in and around Felixstowe, including new ones like the Spa Pavillion, MCP Chapel and the Masonic Lodge. We were also pleased to see Landguard Fort and Felixstowe Museum return to the occasion.

It is impossible to give precise attendance numbers for the weekend because of the diverse ownership but it compared favourably with earlier years despite clashing with the Men's Tour, which made reaching some venues difficult.
