

Felixstowe Branch

The Felixstowe Branch would like to thank the Felixstowe Town Council for the kind grant of £250 which went towards the cost of refreshments after the Civic Event of Remembrance Day 2024. After the service at the War memorial on the Sea Front all the invited guests were welcomed back for a social gathering at the bowls club in St Edmunds Road. The grant helped to cover some of the cost of a light buffet.

The event was attended by the Mayor of Felixstowe, civil dignitaries, Felixstowe Veterans and families, 28 Engineer Regiment and families, Felixstowe Air cadets, Army cadets and Sea cadets. Other people attending the parade were also very welcomed to attend.

The Felixstowe Branch is over 100 years old and has supported the town's serving and veteran communities. We now have breakfast clubs, social evenings and coffee mornings along side other marked occasions VE Day and VJ Day. RBL membership is open to everyone who wishes to support our Armed Forces, Veterans and their families in time of need.
