

Report to Felixstowe Town Council following occasional grant to cover cost of the Santa Tracker used by Save the Children, Rotary and Lions Clubs' Santa Tour 2024

Felixstowe and the villages around gave a fabulous welcome to Santa and his faithful reindeer Rudolph throughout the festive season, as they toured the community bringing lights, music and joy to all. Many families were delighted to be able to use the Santa Tracker to follow the sleigh's progress, and be ready for his arrival in their street, so thanks go to Felixstowe Town Council for their support of that facility.

The generosity of our citizens led to a magnificent sum in excess of £13,000 being donated to the vital work of the three organising charities: Felixstowe Lions and Rotary clubs, and Save the Children Fund.

We would like to thank Felixstowe Town Council for their support, which was much appreciated, and was signposted on social media when people accessed the Tracker. We were also grateful to our wonderful volunteer team leaders, collectors, drivers and Santas, 3PL for the sleigh's December accommodation, Felixstowe Pier Amusements, who supported the money counts, the staff at Savers, Morrisons, The Spar.
