

Felixstowe Methodist Church is indebted to Felixstowe Town Council for a grant towards building a new kitchen area next to the church sanctuary at Trinity, Hamilton Road.

The sanctuary area is used extensively for weekly coffee mornings, Tuesday Tunes, Folk evenings, services (including the Mayor's Carol service) and other events, all of which attract large numbers from the community.

The new kitchen will make catering so much easier for serving teas, coffees and homemade cakes.

Our grateful thanks to Felixstowe Town Council.
