

Felixstowe Wesel Association

2024

Last year was the 50th anniversary of the twinning of Felixstowe and Wesel. This was celebrated with a series of events last April that were arranged by our society. These included the reception at Harvest House which was extremely well attended. Our visitors from Wesel together with our own members had events at Fish Dish, Sea You and The Alex over that weekend. We also promoted Wesel and our society at Felixstowe Triangle. All events contributed to the ongoing relationship between the two towns and ensure that continuing into the future we have visitors to Felixstowe enjoying our town.

Activities this year - 2025

The visit of the Wesel mayor in April

Ulrike Westkamp (Mayor of Wesel) will be making her last visit to Felixstowe in the role as mayor as she is retiring after many years.

Ulrike and her party will arrive on 25th April, when we will welcome them. There are a series of official visits that have been organised via Town Hall (Mayors Ball, Landguard fort tour).

We are organising the farewell meal at The Alex. This is open to all members but we will be paying for the official party.

Carnival: We are expecting 26 visitors for Carnival, who will be staying at Hotel Coco and Peewit. We will be supporting some of their activities.

Scouts: We are expecting a visit from 20 scouts in October. The association will be supporting some of their activities.
