

**Dear Members of the Town Council,**

On behalf of our Memory Lane Group, I would like to say how extremely grateful we all are for your very generous donation. Your support has made a real and meaningful difference to our group and has allowed us to provide our members with valuable opportunities to get out, socialise, and enjoy new experiences within the community.

The funding you kindly provided was specifically set aside to organise a special outing for our Memory Lane visitors, and we are delighted to share that we have now arranged a wonderful trip to Aldeburgh in May and stopping off at Snape Maltings and the Plough and Sail pub for some lunch, we were originally going to have Fish & Chips on the beach but obviously we can never guarantee the weather so as long as the weather is fine we will then go down to the Beach and have ice-cream and explore. Our members will be travelling together by coach, enjoying a scenic journey before spending the day by the coast. It will definitely be an enjoyable and memorable day for all involved.

Our Memory Lane Group continues to thrive thanks to the generosity of supporters like yourselves. Recently, our members have enjoyed a variety of engaging and uplifting activities. We were fortunate to attend a local pantomime where we saw Beauty & the Beast which brought lots of laughter and festive cheer. We have also been visited by the wonderful team from Snakes Alive, who provided a fascinating hands-on experience where members had the chance to hold snakes and bearded dragons, an experience many said they had never had the opportunity to do before, and which they found both exciting and educational.

We also regularly welcome talented local singers and musicians, whose performances bring joy, nostalgia, and a lovely sense of community spirit to our gatherings.

However, it is through generous contributions such as yours that we can go beyond our regular activities and offer special outings and experiences that truly enrich the lives of our members. The opportunity to take people out into the wider community, many of whom may not otherwise have such chances, is something we deeply value. Your donation has helped us continue this important work, and we are extremely grateful.

Please accept our warmest thanks once again for your kindness and support. We look forward to continuing to share updates with you about our activities and the positive impact your generosity is having on our Memory Lane Group.

With sincere appreciation,

Latita, Memory Lane and all of the members that attend the groups. Felixstowe & Trimley Memory Lanes.
