

## Felixstowe Branch

## Royal British Legion

The Felixstowe Branch would like to thank the Felixstowe Town Council for the kind grant of £250 which went towards the cost of refreshments after the Civic Event of Remembrance Day 2025. After the service at the War memorial on the Sea Front, all the invited guests were welcomed back for a social gathering at the Felixstowe & Suffolk Bowls Club in St Edmunds Road. The grant helped to cover some of the cost of a light buffet, provided for all those who attend the Remembrance Service.

The event was attended by the Mayor of Felixstowe, civil dignitaries, Felixstowe Veterans and families, 12 Squadron of 28 Engineer Regiment and their families, Felixstowe Air cadets, Army cadets and Sea cadets. Other people attending the parade were also very welcome to attend.

The Poppy Appeal is fully supported across the whole town with the Festival of Remembrance and many volunteers who man the Poppy tables in Sainsbury's, Morrisons and Lidl. The volunteers provide their time and energy to ensure we can raise much needed funds for the Poppy Appeal. The Felixstowe Festival of Remembrance is held in St John the Baptist Church and is a well-established and well attended evening of entertainment.

The Felixstowe Branch is over 100 years old and has supported the town's serving and Veteran communities. We now have two breakfast clubs, social evenings and coffee mornings alongside other marked occasions of VE Day and VJ Day. Royal British Legion membership is open to everyone who wishes to support our Armed Forces, Veterans and their families in their time of need.
