

Felixstowe Wesel Association

2025

Mayor visit: Ulrike Westkamp (Mayor of Wesel) made her last visit to Felixstowe in the role as Mayor as she retired at the end of 2025. A series of activities were organised including her attendance at the Mayor's ball as well as a visit to Landguard fort. A reception was held at the Town Hall which was attended by guests from Wesel and association members. A meal was had at the Alex on the Sunday night, where the association paid for the official party.

Carnival: We had around 30 visitors for Carnival, who stayed at Hotel Coco and Peewit. We supported their activities and arranged a meal at Fish Dish which was well received by our guests from Wesel

Scouts: A group of Wesel scouts came to Felixstowe in October. They had a busy week of events including sailing on the Orwell, visiting Landguard museum and having breakfast with the mayor
