

FELIXSTOWE TOWN COUNCIL - YOUTH FORUM

Felixstowe Town Hall

Wednesday 20 May 2026 from 4pm-5pm

AGENDA

1. Introductions

Attendees will be invited to introduce themselves by name and school.

2. Apologies for Absence

Apologies for absence will be recorded.

3. The Future of Martello Tower P

The Youth Forum will be joined by Sarah Court, a consultant working with East Suffolk Council on the future of Martello Tower P.

Attendees are asked to consider the following questions:

- What would make you care about Martello Tower P?
- What's missing for young people and families in Felixstowe – and could Martello Tower P help to fill that gap?

Participants will be asked to reflect on these questions during the session and provide feedback on their ideas.

For additional information about this portion of the session, please refer to the attached PDF.

4. Report on Species and Habitats in Schools

Each school will have approximately five minutes to report on the species they have identified around their school grounds, using the charts provided, and what they have recorded in their notebooks, including entries, sketches and photographs.

5. Reflection and Mapping Exercise

Students from different schools will discuss the species they have noted around their school grounds and how the habitats vary, considering how these observations may contribute to a mapping exercise.

6. Any Other Business

To discuss plans for the final meeting of the year and how to conclude the project.
